STEAM
ACADEMY

Learning Apps. Storybooks. Videos.

STEAM Academy offers an interdisciplinary approach that weaves together the science, technology, engineering, art, and math skills learned in the classroom and connects them to things kids see every day.

The apps, storybooks, and videos within this pack include:

All About Transportation

Bridge Constructor Playground

Color Transportation

Kids ABC Trains

Power Rangers: Beast Morphers

The Wright Brothers

Things That Go

The Letters & Numbers Train

Forces Make Things Move

Levers, Pulleys & Simple Machines
