

THE NIGHTINGALE'S SONG

ROBERT TIMBERG

When it was published in 1995, *The Nightingale's Song* was named one of *Time* magazine's Best Books of the Year and a *New York Times* Notable Book of the Year.

Robert Timberg weaves together the lives of Annapolis graduates John McCain, James Webb, Oliver North, Robert McFarlane, and John Poindexter to reveal how the Vietnam War continues to haunt America. Casting all five men as metaphors for a legion of well-meaning if ill-starred warriors, Timberg probes the fault line between those who fought the war and those who used money, wit, and connections to avoid battle. A riveting tale that illuminates the flip side of the fabled Vietnam generation: those who went.

"This is an amazing piece of work that could make you cry over descriptions of bravery so bold and so big....It is about the soul of a nation....This is a stunning book."
—*Boston Globe*

ROBERT TIMBERG, an award-winning Washington journalist, is a 1964 Naval Academy graduate and Marine veteran of Vietnam. He was White House correspondent for the *Baltimore Sun* during the Reagan years.

PATRICK LAWLOR, an AudioFile Earphones Award winner and Audie® Award finalist, is also an accomplished stage actor, director, and combat choreographer. He has worked extensively off Broadway and has been an actor and stuntman in both television and film. He lives in Milwaukee.
