Winner of the 2004 Audie Award for best inspirational audio

The myth of Deer Woman teaches a lesson on respect. The legend of Crazy Horse illuminates a lesson on humility. And the story of Eagle brings home the importance of compassion. These stories from the heart of Lakota culture and its survival—and their meanings—still resonate deeply with our daily lives.

Rich with storytelling, history, folklore, and Marshall's own personal experiences, *The Lakota Way* expresses the heart of Native American philosophy and the twelve core qualities that are crucial to the Lakota way of living: bravery, fortitude, generosity, wisdom, respect, honor, perseverance, love, humility, sacrifice, truth, and compassion.

Compelling and profound, *The Lakota Way* gives a fresh outlook to those searching for a new perspective on spiritual and ethical living.

JOSEPH M. MARSHALL III was raised on the Rosebud reservation in South Dakota, surrounded by a community of storytellers, the grandmothers and grandfathers telling the stories that they themselves had heard as children. He portrayed the Lakota holy man Loved By The Buffalo in the TNT epic mini-series *Into the West*.
