

BATTLETECH

DOUBLE BLIND

by Loren L. Coleman
read by Christopher Graybill

Using fast and furious hit-and-run tactics, Marcus GioAvanti and mercenaries have earned a tough reputation throughout the Inner Sphere. But the Inner Sphere isn't where their newest job is taking them—because their latest employer resides in that remote and mysterious region of space known as the Periphery. Marcus and his Angels will have to face the real force behind the hostilities—the religious cult known as Word of Blake. This fanatical group has a scheme deadly enough to trap even Avanti's Angels...

Loren L. Coleman was a member of the United States Navy, Nuclear Field, for five years. For four years, Loren worked as a professional freelancer for game companies such as FASA Corporation and TSR. He now lives in Washington State with his wife and two sons.

Christopher Graybill has performed numerous audiobooks ranging from classic westerns to science fiction, as well as hundreds of commercials and corporate audio narrations. He has also written two short plays, "Eye to Eye" and "Go Look," published by Samuel French.
