

FALL OF GIANTS

KEN FOLLETT

READ BY JOHN LEE • AN UNABRIDGED PRODUCTION

FALL OF GIANTS is Ken Follett's magnificent new historical epic. The first novel in The Century Trilogy, it follows the fates of five interrelated families as they move through the world-shaking dramas of the First World War, the Russian Revolution, and the struggle for women's suffrage.

Thirteen-year-old Billy Williams enters a man's world in the Welsh mining pits... Gus Dewar, an American law student rejected in love, finds a surprising new career in Woodrow Wilson's White House... two orphaned Russian brothers, Grigori and Lev Peshkov, embark on radically different paths half a world apart when their plan to emigrate to America falls afoul of war, conscription, and revolution... Billy's sister, Ethel, a housekeeper for the aristocratic Fitzherberts, takes a fateful step above her station, while Lady Maud Fitzherbert herself crosses deep into forbidden territory when she falls in love with Walter von Ulrich, a spy at the German embassy in London...

These characters and many others find their lives inextricably entangled as FALL OF GIANTS moves seamlessly from Washington to St. Petersburg. It is destined to be a new classic.
