MALCOLM X A LIFE OF REINVENTION

Read by G. VALMONT THOMAS

Of the great figures in twentieth-century American history, few are as complex as Malcolm X. Manning Marable's new biography of Malcolm X is a stunning achievement. With new information and shocking revelations that go beyond the autobiography, *Malcolm X* unfolds a sweeping story of race and class in America, from the rise of Marcus Garvey and the KKK to the struggles of the civil rights movement. Encompassing his parents' activism and his own engagement with the Nation of Islam, it charts his astronomical rise in the world of Black Nationalism and culminates in the never-before-told true story of his assassination. *Malcolm X* will stand as the definitive work on one of our boldest advocates for social changes, capturing with revelatory clarity a man who constantly strove, in the great American tradition, to remake himself anew.

"MARABLE BRINGS A LIFETIME OF STUDY TO THIS BIOGRAPHY, WHICH IS THE CROWNING ACHIEVEMENT OF A MAGNIFICENT CAREER." —Henry Louis Gates, Jr., Alphonse Fletcher University Professor, Harvard University

MANNING MARABLE is a professor of public affairs, history, political science, and African American studies at Columbia University and is the director of the university's Center for Contemporary Black History. He has written or edited twenty-two books.
