

# JAMES PATTERSON NOW YOU SEE HER

READ BY ELAINA ERIKA DAVIS

To save her own life, Nina Bloom vanished. Now, to rescue an innocent man, she confronts the killer she thought she escaped forever.

## THE PERFECT LIFE

A successful lawyer and loving mother, Nina Bloom would do anything to protect the life she's built in New York — including lying to everyone, even her daughter, about her past. But when an innocent man is framed for murder, she knows that she can't let him pay for the real killer's crimes.

## THE PERFECT LIE

Nina's secret life began nineteen years ago. She had looks to die for, a handsome police-officer husband, and a carefree life in Key West. When she learned she was pregnant with their first child, her happiness was almost overwhelming. But Nina's world shattered when she unearthed a terrible secret that caused her to run for her life and change her identity.

## THE PERFECT WAY TO DIE

Now, years later, Nina risks everything she's earned to return to Florida and confront the murderous evil she fled. In a story of wrenching suspense, James Patterson gives us his most head-spinning, action-filled novel yet — a Hitchcockian blend of unquenchable drama and pleasure.
