ERIC L. HANEY

Command Sergeant Major, USA (Ret.)

READ BY ROBERTSON DEAN

**"Eric Haney is perhaps the world's foremost expert on military special ops. Read *Inside Delta Force* and learn what we are really up against."** —Bill O'Reilly

He is a master of espionage, trained to take on hijackers, terrorists, hostage takers, and enemy armies. He can survive alone in hostile cities, speak foreign languages fluently, strike at enemy targets with stunning swiftness and extraordinary teamwork. He is the ultimate modern warrior: the Delta Force operator.

In this dramatic behind-the-scenes chronicle, Eric Haney, one of the founding members of Delta Force, takes us inside this legendary counterterrorist unit. Here, for the first time, are details of the grueling selection process—designed to break the strongest of men—that singles out the best of the best.

From fighting guerrilla warfare in Honduras to rescuing missionaries in Sudan, Eric Haney captures the daring and discipline that distinguish the men of Delta Force.

**ERIC L. HANEY** served for more than twenty years in the US Army's most demanding combat units and was a founding member of Delta Force. In his retirement, he has protected princes, presidents, and CEOs, negotiated for the safe return of hostages, rescued American children kidnapped around the world, and provided security for oil companies operating in the most dangerous regions on earth.

**ROBERTSON DEAN** has played leading roles on and off Broadway and at dozens of regional theaters throughout the country. He has a BA from Tufts University and an MFA from Yale. He now lives in Los Angeles, where he works in film and television in addition to narrating.
