Life-Changing Moments on the Path to Queendom

... is a wake-up call to empowerment!

Oscar-nominated actress, Grammy-winning entertainer, entrepreneur—Queen Latifah has done it all. Through everything she has encountered, she has come to love herself, including her flaws. But this transformation didn't happen overnight: The Queen had to overcome a series of challenges—difficult moments—before she knew she was going to emerge triumphant. We all have moments like these. The question is: How can we learn from such experiences and use them to turn ourselves into strong, confident women? Queen Latifah provides the often surprising answers in this rewarding and inspiring audiobook.

Queen Latifah is a world-renowned musician, television and Oscar-nominated actress, president of a recording company, author, and movie producer.
