

DOUBLE DEXTER JEFF LINDSAY

READ BY THE AUTHOR

A witness. Such a simple concept—and yet for Dexter Morgan, the possibility of a witness is unthinkable. But when Dexter is on a very private excursion one evening with a wretchedly deserving playmate, the unthinkable happens: someone sees him.

Dexter is not at all pleased. As an upstanding blood-spatter analyst for the Miami Police Department, he has always managed to keep the darker side of his life out of the spotlight. But now that he's been seen and identified by his witness, Dexter must launch himself into a different kind of hunt.

Making matters worse, a brutal cop killer is targeting Miami's police detectives, leaving behind bodies that are battered beyond recognition . . . and completely bloodless. As the department grows more fearful of the psychotic killer in their midst, Dexter must handle his own crisis and come to terms with the fact that his witness is determined to expose him. Dexter is being followed, manipulated, and mimicked . . . leading him to realize that no one likes to have a double, especially when his double's goal is to kill him.

JEFF LINDSAY is the *New York Times* bestselling author and creator of the Dexter novels, most recently *Dexter Is Delicious*. He lives in South Florida with his wife and three children.
