

INJUSTICE J. CHRISTIAN ADAMS

Read by Johnny Heller

Justice is supposed to be blind, especially to race and politics. Yet as Department of Justice (DOJ) whistle-blower J. Christian Adams divulges in this shocking exposé, justice under the Obama administration is anything but blind. Here, Adams reveals the never-before-published truth about the corrupt, racist, and politicized inner workings of the Obama Justice Department, as well as the untold story of the DOJ's corrupt handling of the New Black Panther voter-intimidation case. As a former Department of Justice attorney in the civil rights division, Adams has witnessed firsthand how the DOJ is aggressively executing a racist and radical left-wing agenda through its policies and employees. Revealing unknown and startling examples of racism and corruption at the local, state, and federal level, *Injustice* exposes a Justice Department that is anything but just.

"Christian Adams is a truth-teller, whistle-blower, and American patriot... If you care about justice for all, *Injustice* is hands down the most important book you'll read this year."

—Michelle Malkin, bestselling author of *Culture of Corruption*
