

CHRISTOPHER FARNSWORTH **RED, WHITE, AND BLOOD**

READ BY BRONSON PINCHOT

THE PRESIDENTIAL CAMPAIGN TRAIL, 2012. A political operative and a volunteer are brutally murdered while in a compromising position. Written in their blood on the wall of the crime scene: It's Nice to Be Back.

And with that, a centuries-old horror known as the Boogeyman returns to taunt Nathaniel Cade, the president's vampire. Against the backdrop of the presidential race, with the threat of constant exposure by the media, Cade and his White House handler, Zach Barrows, must stop the one monster Cade has never been able to defeat completely. And they must do it before the Boogeyman adds another victim to his long and bloody list: the president of the United States himself.

"High-octane supernatural thriller...Farnsworth keeps the twists and explosive violence coming, keeping readers in suspense until the very last page."
