

THE REAL CRASH

PETER D. SCHIFF

YOU MIGHT BE THINKING EVERYTHING'S OKAY:
THE STOCK MARKET IS ON THE RISE, JOBS ARE GROWING,
THE WORST OF IT IS OVER. YOU'D BE WRONG.

IN *THE REAL CRASH*, *New York Times* bestselling author Peter D. Schiff argues that America is enjoying a government-inflated bubble, one that reality will explode...with disastrous consequences for the economy and for each of us. Schiff demonstrates how the infusion of billions of dollars of stimulus money has only dug a deeper hole: the United States government simply spends too much and does not collect enough money to pay its debts, and in the end, Americans from all walks of life will face a crushing consequence.

Persuasively argued and provocative, *The Real Crash* explains how we got into this mess, how we might get out of it, and what happens if we don't. And, with wisdom born from having predicted the Crash of 2008, Peter Schiff explains how to protect yourself, your family, your money, and your country against what he predicts.

PETER D. SCHIFF is an American investment broker, author, and financial commentator, and was a candidate in the 2010 Republican primary for the United States Senate seat from Connecticut. He frequently appears as a guest on CNBC and Fox News, and is the host of the radio show and podcast *The Peter Schiff Show*. He is the author of the *New York Times* bestselling *Crash Proof* and *Crash Proof 2.0*, as well as *The Little Book of Bull Moves in Bear Markets*, which was also a *Businessweek* bestseller.
