

i can barely take care of myself Jen Kirkman

READ BY THE AUTHOR

"Jen Kirkman has written an excellent—and very funny—guide to promote not having children. Thanks girl, for saving me the time." —CHELSEA HANDLER

"You'll change your mind."

That's what everyone says to Jen Kirkman—and countless women like her—when she confesses she doesn't plan to have children. But you know what? It's hard enough to be an adult. You have to dress yourself and pay bills and remember to buy birthday gifts. You have to drive and get annual physicals and tip for good service. Some adults take on the added burden of caring for a tiny human being with no language skills or bladder control. Parenthood can be very rewarding, but let's face it, so are margaritas at the adults-only pool.

I Can Barely Take Care of Myself is a beacon of hilarious hope for anyone whose major life decisions have been questioned by friends, family, and strangers in a comedy club bathroom. And it should satisfy everyone who wonders if Jen will ever know true love without looking into the eyes of her child.

"Jen Kirkman's wickedly original yet totally universal debut about the expectations of others kicks so much ass you'll agree with her even when you don't. . . . For lovers of great!"
—GREG BEHRENDT, #1 *New York Times* bestselling author of *He's Just Not That Into You*

Jen Kirkman is a stand-up comedian, writer, and actor known for the award-winning short series *Drunk History*. She has two comedy albums, *Self-Help* and *Hail to the Freaks*, and writes for and appears on E!'s *Chelsea Lately* and *After Lately*.
