

# BILLY CRYSTAL Still Foolin' 'Em

**“At sixty-five I can do whatever I did when I was thirty-five, if only I could remember what those things were.”**

Read by the author, with his trademark blend of wit and heart, *Still Foolin' 'Em* looks back at the most powerful and memorable moments of Billy Crystal's storied life and provides a road map to the absurdities and challenges that come with aging. He reflects on everything from his legendary stint at *Saturday Night Live*, to making *City Slickers* and *When Harry Met Sally...*, to his long run as host of the Academy Awards, to his one-day career with the New York Yankees, and his enduring friendships with several of his idols, including Mickey Mantle and Muhammad Ali. Wise, poignant, and laugh-out-loud funny, *Still Foolin' 'Em* is a triumphant counterpunch to the indignities of aging, from the beloved comedian who for forty years has captured the anxieties and joys of his generation.
