

THE BEATLES:
ALL THESE YEARS
VOL. 1

TUNE IN

MARK LEWISOHN

READ BY CLIVE MANTLE

Tune In is the first volume of *All These Years*—a highly-anticipated, groundbreaking biographical trilogy by the world's leading Beatles historian. Mark Lewisohn uses his unprecedented archival access and hundreds of new interviews to construct the full story of the lives and work of John Lennon, Paul McCartney, George Harrison, and Ringo Starr.

Ten years in the making, *Tune In* follows the Beatles from before their childhoods up to the final hour of 1962 when, with breakthrough success just days away, they stand on the cusp of a whole new kind of fame and celebrity. It's the lesser-known Beatles story: where they came from and how it all took shape—a riveting narrative of their unforgettable nights in Liverpool and Hamburg and all the laughs, larks, and adventures when they could move about freely, unchained by the trappings of fame.

For those who've never read a Beatles book before, this is the place to discover the young men behind the icons. For those who think they know John, Paul, George, and Ringo, it's time to press the Reset button and tune into the real story, the lasting word.

MARK LEWISOHN is the foremost authority on the Beatles. His books include the bestselling and influential *Beatles Recording Sessions* and *Complete Beatles Chronicle*. He has been a consultant and researcher on all aspects—TV, DVDs, CDs and book—of the Beatles' own Anthology and has been involved in numerous additional projects for them as well as independent works like this one.

CLIVE MANTLE has appeared in many films, plays and television, and is perhaps best known for his roles in the BBC TV programmes *Casualty* and *Holby City*. Recent roles include that of Greatjon Umber in the hit TV series *Game of Thrones*.
