

TELL ME WHERE IT HURTS

A DAY OF HUMOR, HEALING, AND HOPE
IN MY LIFE AS AN ANIMAL SURGEON

DR. NICK TROUT
NARRATED BY SIMON VANCE

A Day of Humor, Healing, and Hope in my Life as an Animal Surgeon

From the frontlines of modern medicine, *Tell Me Where It Hurts* is a fascinating insider portrait of a veterinarian, his furry patients, and the blend of old-fashioned instincts and cutting-edge technology that defines pet care in the twenty-first century. Dr. Trout takes the reader on a vicarious journey through twenty-four intimate, heartrending hours in his life; his wry, companionable voice offers enlightening and engaging anecdotes about cuddly (or not-so-cuddly) pets and their variously zany, desperate, and demanding owners. If you've ever had a pet or special place in your heart for furry friends, Dr. Trout's inspiring account of loving and healing animals is for you.
