

Liberal Fascism

JONAH GOLDBERG

READ BY JOHNNY HELLER

"Goldberg will lead you to new understanding and force you to think deeply."
—Newt Gingrich, former Speaker of the House

Liberal Fascism offers a startling new perspective on the theories and practices that define fascist politics. Replacing conveniently manufactured myths with surprising and enlightening research, Jonah Goldberg reminds us that the original fascists were really on the left and that liberals from Woodrow Wilson to Hillary Clinton have advocated policies similar to those of Hitler's National Socialism and Mussolini's Fascism.

Fascism was an international movement that appeared in different forms in different countries. In Germany, fascism appeared as genocidal racist nationalism. In America, it took a "friendlier," more liberal form. The modern heirs of this "friendly fascist" tradition include the *New York Times*, the Democratic Party, the Ivy League professoriate, and the liberals of Hollywood. The quintessential Liberal Fascist isn't an SS storm trooper; it is a female grade school teacher with an education degree from Brown or Swarthmore.

These assertions may sound strange to modern ears, but that is because we have forgotten what fascism is. In this angry, funny, smart, contentious book, Jonah Goldberg turns our preconceptions inside out and shows us the true meaning of liberal fascism.

"*Liberal Fascism* is a book of intellectual history you won't be able to put down—in either sense of the term." —Tom Wolfe, author of *A Man in Full*

Jonah Goldberg is a columnist for the *Los Angeles Times* and a contributing editor to *National Review*. A *USA Today* contributor and former columnist for the *Times of London*, he has also written for the *New Yorker*, *Commentary*, the *Wall Street Journal*, and many other publications. He lives in Washington, D.C.

Johnny Heller has been named one of the Top Fifty Voices of the Twentieth Century by *AudioFile* magazine. In 2005, he received the highest award the industry offers—the Audie—for his narration of *The Happiest Toddler on the Block*, and he has also narrated the *New York Times* bestseller *Homo Politicus* by Dana Milbank.
