

JACQUELINE BOUVIER BARBARA
KENNEDY ONASSIS LEAMING

THE UNTOLD STORY OF HOW ONE WOMAN'S LIFE WAS CHANGED
FOREVER IN A MATTER OF SECONDS BY A HORRIFIC TRAUMA

For almost six decades, Jacqueline Kennedy Onassis has fascinated people worldwide. She has been the subject of numerous books and thousands of articles, and her life has been chronicled in millions of words. And yet there has always remained something mysterious, something private about this very public woman.

With extraordinary skill and great sensitivity, Barbara Leaming's biography explores the seemingly magical world of Jackie's youth, her fairytale marriage to a wealthy and handsome Senator and Presidential candidate, and her astonishing transformation into a deft political wife and unique First Lady. But the trauma of her husband's murder, which left her literally soaked in blood and brains, would damage her far more than has been known. Until now.

Jacqueline Bouvier Kennedy Onassis: The Untold Story is the first book to document Jackie's brutal, lonely, and valiant thirty-one-year struggle with posttraumatic stress disorder (PTSD). Here is the woman as she has never been seen before. In heartrending detail, Leaming writes of a struggle that unfolded at times before our own eyes, but which we failed to understand. While the life of Jacqueline Kennedy Onassis has been examined and scrutinized countless times, it is only now that we can truly understand the woman behind the facade, the untold story of this iconic woman.

BARBARA LEAMING is a *New York Times* bestselling author. Three of her biographies have been *New York Times* Notable Books of the Year. Her most recent book, *Churchill Defiant*, received the Emery Reves Award from the International Churchill Centre. Leaming's articles have appeared in *The New York Times Magazine*, *Vanity Fair*, the *Times* of London, and other publications. She lives in Connecticut.
