NAVY SEAL DOGS

MIKE RITLAND

Read by Michael Kramer

"Special force SEALs are elite enough, but SEAL dogs are a breed apart. Fascinating. . . . About time these heroes got the attention they deserved for a young audience." —*Kirkus*

The Navy SEAL teams' elite K9 warriors do it all—from detecting explosives to eliminating the bad guys. These powerful dogs are also some of the smartest and most highly skilled working animals on the planet. Mike Ritland's job is to train them.

This is the tale of how Ritland discovered his passion and grew up to train these elite dogs. After becoming a SEAL, he was on combat deployment in Iraq when he saw a military working dog in action, and he instantly knew he'd found his true calling.

Ritland eventually started his own company to train and supply working and protection dogs for the U.S. government, the Department of Defense, and other clients. He also started the Warrior Dog Foundation to help retired Special Operations dogs live long and happy lives after their service.

Mike Ritland is the *New York Times* bestselling author of *Trident K9 Warriors.* A former Navy SEAL, he started his own company to train dogs for the SEAL teams, the U.S. government, and many other clients. He also founded the Warrior Dog Foundation to help retired Special Operations dogs live long and happy lives after their service.
