THE SHELL SEEKERS

THE BELOVED #1 NEW YORK TIMES BESTSELLING NOVEL—
A CAPTIVATING STORY OF LIFE AND LOVE.

An instant bestseller when it was first published, *The Shell Seekers* is an enduring classic that has touched the hearts of millions worldwide. A novel of connection, it is the story of one family—mothers and daughters, husbands and lovers—and of the passions and heartbreak that have held them together for three generations. At the end of a long and useful life, Penelope Keeling's prized possession is *The Shell Seekers*, painted by her father, and symbolizing her unconventional life, from bohemian childhood to wartime romance. When her grown children learn that their grandfather's work is now worth a fortune, each has an idea as to what Penelope should do. But as she recalls the passions, tragedies, and secrets of her life, she knows there is only one answer...and it lies in her heart.

ROSAMUNDE PILCHER has had a long and distinguished career as a novelist and short-story writer, but it was her phenomenally successful novel *The Shell Seekers* that captured the hearts of all who read it and won her international recognition as one of the most-loved storytellers of our time. *The Shell Seekers* was followed by *September* and then by *Coming Home* and *Winter Solstice*, which also became worldwide bestsellers. She lives in Perthshire, Scotland.
