

The predator becomes the prey in the newest thriller
in the #1 *New York Times* bestselling series featuring
homicide detective Eve Dallas.

She calls herself Lady Justice, like an avenging superhero. Her disguises vary—a tall blonde or a curvaceous redhead, whatever it takes to lure the men she targets, men who have done women wrong. Once they are in her grasp, they are powerless.

The first victim is wealthy businessman Nigel McEnroy. By day he runs a successful headhunting firm, but when his wife is away he engages in another kind of hunt. His company's human resources department has already paid out settlements to a couple of his young victims—but they don't know that his crimes go far beyond workplace harassment. Lady Justice knows. And in one shocking night of brutality, she makes him pay a much steeper price.

Now Eve Dallas and her husband, Roarke, are combing through the evidence of McEnroy's secret life. His compulsive need to record his misdeeds provides them with a wide range of suspects, but the true identity of Lady Justice remains elusive. And thanks to McEnroy's multiple residences and extensive business travel, they must cast their net outside New York as well. It's a challenging case, made even more difficult by McEnroy's widow, who reacts to the investigation with fury, denial, and threats.

Meanwhile, Lady Justice's criminal crusade is escalating rapidly, and if Eve can't stop this vigilante, there's no telling how much blood may be spilled.

J. D. ROBB is the pseudonym for the *New York Times* bestselling author of more than two hundred novels, including the futuristic suspense In Death series. There are more than 500 million copies of the author's books in print.
