

ALL PRESIDENTS HAVE NIGHTMARES. THIS ONE IS ABOUT TO COME TRUE.

Every detail is accurate—

because one of the authors is President Bill Clinton.

The drama and action never stop—

because the other author is James Patterson.

Matthew Keating, a onetime Navy SEAL—and a past president—has always defended his family as staunchly as he has his country. Now those defenses are under attack.

A madman abducts Keating's teenage daughter, Melanie—turning every parent's deepest fear into a matter of national security. As the world watches in real time, Keating embarks on a one-man special-ops mission that tests his strengths: as a leader, a warrior, and a father.

The authors' first collaboration, *The President Is Missing*, a #1 *New York Times* bestseller and the #1 bestselling novel of 2018, was praised as "ambitious and wildly readable" (*New York Times Book Review*) and "a fabulously entertaining thriller" (Pulitzer Prize-winning author Ron Chernow).

BILL CLINTON was elected president of the United States in 1992, and he served until 2001. After leaving the White House, he established the Clinton Foundation, which helps improve global health, increase opportunity for girls and women, reduce childhood obesity and preventable diseases, create economic opportunity and growth, and address the effects of climate change. He is the author of a number of nonfiction works, including *My Life*, which was a #1 international bestseller. With James Patterson, he is coauthor of the #1 international bestselling novel *The President Is Missing*.

JAMES PATTERSON is the world's bestselling author. The creator of Alex Cross, he has produced more enduring fictional heroes than any other novelist alive. He lives in Florida with his family.
