

Emma loves her husband, Leo, and their young daughter, Ruby: she'd do anything for them. But almost everything she's told them about herself is a lie.

And she just might have gotten away with it if it weren't for her husband's job. Leo is an obituary writer; Emma is a well-known marine biologist. When she suffers a serious illness, Leo copes by doing what he knows best: researching and writing—but this time about his wife's life. Yet as he starts to unravel the truth, he discovers the woman he loves doesn't really exist. Even her name isn't real.

When the very darkest moments of Emma's past finally emerge, she must somehow prove to Leo that she really is the woman he always thought she was...

But first, she must tell him about the *other* love of her life.

ROSIE WALSH lived and traveled all over the world, working as a documentary producer and writer. *Ghosted*, her American debut, was a *New York Times* bestseller and has sold more than one million copies worldwide. *The Love of My Life* is her second novel. She lives in Devon, England, with her partner and two children.

IMOGEN CHURCH has worked everywhere, from theater to film, commercials to cabaret, but her favorite work is in audio, particularly audiobooks, largely so she can eat cake and not bleach her teeth. She has won awards for it and plans to do it to death.

THEO SOLOMON has worked extensively on stage, screen, and in the voiceover world. He has a growing reputation as an audiobook narrator and is the recipient of an Earphones Award. His television work includes roles in the miniseries *Temple* and BBC's *Enterprice*, and he has performed on stages across London and Nottingham.
