

THE WORST-CASE SCENARIO SERIES

IT'S THE APOCALYPSE— NOW WHAT?

The doomsday clock is seconds from midnight. Extinction-level dangers draw closer with every tick. But fear not! Here is an indispensable guide to preparing for and surviving the ultimate in worst-case scenarios from the world's bestselling survival handbook series.

Dozens of survival experts provide step-by-step instructions on

- how to pack a Go Bag in thirty minutes,
- how to make your bunker feel like home,
- how to survive an alien invasion,
- how to defeat a robot uprising,
- how to survive the next pandemic,
- how to fend off a hostile clan,
- how to eat insects and rodents, and
- how to rebuild a utopian society.

You've gotten this far. Don't let zombies take you out.

Josh Piven has been chased by knife-wielding motorcycle bandits (he escaped); stranded on a chairlift during a howling blizzard (he was rescued); and torn both his rotator cuffs (he had surgery). He lives in Philadelphia.

David Borgenicht has been surrounded by alligators, encountered bears, mountain lions, and more, and has lived to tell the tale. He currently lives in Philadelphia, but his go bag is stocked and ready.
