

From one of the greatest writers of our age comes a collection of stories and parables unlocking the mysteries of the human condition. Gathered from Paulo Coelho's daily column of the same name, *Maktub*, meaning "it is written," invites seekers on a journey of faith, self-reflection, and transformation. As Paulo Coelho explains, "*Maktub* is not a book of advice—but an exchange of experiences."

Each story offers an illuminated path to see life and the lives of our fellow people around the world in new ways, allowing us to tap into universal truths about our collective and individual humanity. As Coelho writes, "A man who seeks only the light and hands all his responsibilities to others will never find enlightenment. A man who keeps his eyes fixed only on the sun will end up blind." These wise tales offer the perspective of talking snakes, old women climbing mountains, disciples querying their masters, Buddha in dialogue, mysterious hermits, and many saints addressing the mysteries of the universe.

Following the path of his previous internationally bestselling works, this thoughtful collection of short, inspirational pieces will engage seekers of all ages and backgrounds.

PAULO COELHO born in Rio de Janeiro in 1947, is one of the bestselling and most influential authors in the world. *The Alchemist*, *Warrior of the Light*, *The Pilgrimage*, *The Valkyries*, *Brida*, *The Fifth Mountain*, *Eleven Minutes*, *The Zahir*, *The Witch of Portobello*, *Veronika Decides to Die*, *The Winner Stands Alone*, *Aleph*, *Adultery*, and *Hippie*, among many others, have sold more than 320 million copies worldwide.
