What do you know for sure?

This is the question that guided Oprah Winfrey's long-running magazine column, where she reflected on her life and shared insights with millions of readers. It was a question, she said, that offered her a way to "take stock of her life" in pivotal moments. Over the years, there have been many such opportunities, such as when she retired *The Oprah Winfrey Show*, launched her own television network, received the Presidential Medal of Freedom, and celebrated milestone birthdays.

These essays offer a rare and profound glimpse into the mind of one of the world's most extraordinary women. Now, for the first time, this powerful collection has been updated with new material and stories reflecting Oprah's seven decades of lived experience. Candid, inspiring, and dynamic, the words Oprah shares in *What I Know For Sure* shimmer with the sort of wisdom and truth that listeners will turn to, and share, again and again.

Through the power of media, **Oprah Winfrey** has created an unparalleled connection with people around the world. As host and supervising producer of the top-rated, award-winning *The Oprah Winfrey Show*, she entertained, enlightened, and uplifted millions of viewers for twenty-five years. Her accomplishments as a global media leader and philanthropist have established her as one of the most respected and admired public figures today.
