

This collection of 64 short poems has become a classic work of children's literature. The poems are written from the point of view of a child. The author brilliantly recaptures the magical world of childhood innocence, in which the most mundane of experiences can become a source of wonder.

Robert Louis Stevenson (1850–1894) was a Scottish novelist, essayist, poet, and travel writer.

Terah Tucker is an accomplished creative professional with experience in audiobook narration, voice acting, media production, live broadcasting, music composition and songwriting, and live performance.
