

NICO LANG  
**AMERICAN TEENAGER**

*Narrated by Vico Ortiz*

From an award-winning journalist comes a vivid and moving portrait of eight trans and nonbinary teenagers across the country, following their daily triumphs, struggles, and all that encompasses growing up trans in America today.

Media coverage tends to sensationalize the fight over how trans kids should be allowed to live, but what is incredibly rare are the voices of the people at the heart of this debate: transgender and gender nonconforming kids themselves. For their groundbreaking new book, journalist Nico Lang spent a year traveling the country to document the lives of transgender, nonbinary, and genderfluid teens and their families.

From the tip of Florida's conservative panhandle to vibrant queer communities in California, and from Texas churches to mosques in Illinois, *American Teenager* gives readers a window into the lives of Wyatt, Rhydian, Mykah, Clint, Ruby, Augie, Jack, and Kylie, eight teens who, despite what some lawmakers might want us to believe, are truly just kids looking for a brighter future. Drawing on hundreds-of-hours of on-the-ground interviews with them and the people in their communities, *American Teenager* paints a vivid portrait of what it's actually like to grow up trans today.
