

An exposé of insurance injustice and a plan for consumers and lawmakers to fight back.

The denial of valid insurance claims is not occasional or accidental or the fault of a few bad employees. It's the result of an increasing and systematic focus on maximizing profits by major companies such as Allstate and State Farm. Citing dozens of stories of victims who were unfairly denied payment, the book explains how people can be more careful when shopping for policies and what to do when pursuing a disputed claim. It also lays out a plan for the legal reforms needed to prevent future abuses.

JAY MURRAY FEINMAN is an American legal scholar on private law. He specializes in insurance law, tort law, and contract law. He joined Rutgers Law School faculty in 1977, served as Distinguished Professor of Law from 1996 to 2023, and retired in 2023 as Distinguished Professor Emeritus.
