

The Invisible Life of Addie LaRue meets *This Is How You Lose the Time War* in this fantastical and epic love story that defies death as two souls reincarnate through the centuries.

Evelyn can remember all her past lives. She can also remember that in every single one, she's been murdered before her eighteenth birthday by Arden, a supernatural being linked to her soul.

The problem is that she's quite fond of the life she's in now, and her little sister needs her in order to stay alive. If Evelyn wants to save her sister, she'll have to find the centuries-old devil who hunts her through each life before they find her first, figure out why she's being hunted and finally break their curse, and try not to fall in love . . . again.

LAURA STEVEN is an award-winning author and shameless coffee addict from the northernmost town in England. She has published several books for young adults, and the forthcoming Silvercloak trilogy, written as L.K. Steven, will mark her adult debut. When she's not writing, you can find her trail running, reading chunky fantasy novels, baking cookies, playing old men at chess, or ignoring her husband and son to perfect her Stardew Valley farm.
