

The faraway place was really far away. Farther than Lissie had ever been before. Or even imagined. And when she finally arrives, everything seems so different. Even the birds' songs. Even breakfast. She has so many questions. How does it work? What do you mean? How do you say that? But soon, Lissie realizes that many things are also the same. Like stories. And the sky. And family. And laughter. And friends. Especially friends.
