

It's been eleven years since high-powered attorney Sarah Morgan defended her husband, Adam, against the charge of murdering his mistress. Sarah has long since moved on, starting a family with her new husband, Bob Miller, and changing careers. Her life is back to being exactly how she always wanted ... or is it?

After discovering Bob engaged in a one-night stand, Sarah wastes no time filing for divorce. However, amid their ugly separation, new DNA evidence is uncovered in the case against Adam, forcing the police to reopen the investigation and putting Sarah right back in the spotlight. Everyone wants to know what really happened, most of all former Deputy Hudson, who is hell-bent on finding the truth.

But when the woman Bob slept with is reported missing, he and Sarah start to fight dirty, and a high-stakes game of cat and mouse ensues. Filled with suspense and Geneva Rose's signature twists and turns, this audiobook will have listeners wondering: Can Bob and Sarah achieve the perfect divorce? Or will it be "till death do us part"?
