

Together we can do anything.

Celebrate the power of friendship with this lyrical tribute to the special bond between friends.

This inspirational book from Girl Scouts and #1 *New York Times* bestselling illustrator Amber Ren captures the love, fun, and strength that the gift of friendship brings into our lives.

GIRL SCOUTS build a better world and bring their dreams to life. They discover their strengths and rise to meet new challenges—whether that means climbing to the top of a tree or the top of their class, lacing up their boots for a hike, advocating for climate justice, or making their first best friends. They are finding their voices and making a difference on the issues most important to them, with the support of a community of millions from coast to coast and around the world. AMBER REN is the illustrator of *Because* by Mo Willems, a *New York Times* bestseller, among other picture books. She is also a visual development artist, and her work has been featured in the Eric Carle Museum of Picture Book Art's first online exhibition, *ART in PLACE: Social Distancing in the Studio*.
