

In Natalie Babbitt's beloved story about immortality, friendship, and growing up, young Winnie Foster learns of a hidden spring in a nearby wood. Then she meets the Tuck family, whose members reveal their life-changing discovery of the spring's true power. Now Winnie must decide what to do with her newfound knowledge—and the Tucks must decide what to do with her. But it's not just the curious girl who is interested in their remarkable tale. A suspicious stranger is also searching for the Tucks, and he will stop at nothing until he uncovers their secret.

Devoted fans and new readers alike can celebrate the golden anniversary of Babbitt's timeless novel with this deluxe edition, which includes an afterword by the author's daughter and fascinating background material from the author's archives.
