

Thirteen terrifying coming-of-age stories from the Bram Stoker Award-winning author of *Queen of Teeth*, perfect for fans of Clive Barker, Mariana Enriquez, and Eric LaRocca.

Thirteen coming-of-age stories the way only Bram Stoker Award-winning author Hailey Piper can tell them—wildly inventive, brilliantly imaginative, and completely and utterly enthralling.

A vicious group of college upperclassmen prey on the freshman girls in “Why We Keep Exploding”; across the world, something is mutating adolescents into bizarre creatures in “The Turning”; a girl on a night out realizes a bizarre cop is hunting her in “The Long Flesh of the Law”; and in the acclaimed novella “Benny Rose, the Cannibal King”, a Halloween prank goes horribly wrong when a murderous ghost steps out of an urban legend and into the real world.

These stories take our most difficult years of transformation and twist them into new and terrifying shapes, where the monsters are real and you’ll do whatever it takes to get away, or get even.

**Hailey Piper** is the Bram Stoker Award-winning author of *Queen of Teeth*, *A Light Most Hateful*, *The Worm* and *His Kings*, *No Gods for Drowning*, and other books of horror. She is an active member of the Horror Writers Association, with over 100 short stories appearing in various publications. She lives with her wife in Maryland, where their occult rituals are secret.
