

From T. A. Barron, the *New York Times* bestselling author of the Merlin Saga, comes a new fantasy world about the origins of Atlantis, perfect for fans of *The Lord of the Rings*, *Eragon*, the *Beyonders*, and *Percy Jackson and the Olympians*.

In a magical land called Ellegandia, a young boy named Promi scrapes by, stealing pies, cakes, and sweets to survive. But little does he know that his country is a pawn in an ages-old war between good and evil, battled both in the spirit realm and in the human world. Harboring secrets of his own, Promi teams up with a courageous girl named Atlanta and the two vow to save their land—and each other—no matter the cost. But their vow has greater repercussions than they ever could imagine—in fact, it may just bring about the creation of Atlantis, an island cut off from the rest of the world, where magic reigns supreme.

With action, adventure, and poignancy, Barron explores a new mythology—the origin of the legendary isle of Atlantis. This book is perfect for fans of Rick Riordan, Brandon Mull, Christopher Paolini and, of course, T. A. Barron's Merlin Saga.

This enhanced audiobook includes a new introduction read by the author and music inspired by the series.
