

With confidence and style, El-Mohtar guides us through sharply observed and exquisitely told tales about life as it is, was, and could be. Like a miscellany gathered from other worlds, these stories are told in letters, diary entries, reference materials, and folktales, all expressed in El-Mohtar's signature lyrical prose.

Full of Nebula, Locus, and Hugo Award-winning and nominated stories, *Seasons of Glass and Iron: Stories* includes: "Seasons of Glass and Iron," "The Green Book," "Madeleine," "The Lonely Sea in the Sky," "And Their Lips Rang with the Sun," "The Truth About Owls," "A Hollow Play," "Anabasis," "To Follow the Waves," "John Hollowback and the Witch," "Florilegia; or, Some Lies About Flowers," "Pockets," and more.

AMAL EL-MOHTAR is a Hugo Award-winning author of science fiction, fantasy, poetry, and criticism, and the coauthor of the *New York Times* bestseller *This Is How You Lose the Time War*, written with Max Gladstone, which has been translated into more than ten languages. Her reviews and articles have appeared in *The New York Times* and on NPR Books. She lives in Ottawa, Canada.
