

THE DREAM SERIES, BOOK 1

**AN INSTANT USA TODAY BESTSELLER**

From *USA Today* and *Wall Street Journal* bestselling author Natasha Madison, *Shattered Dreams* is the first book in her popular Dream series.

Montgavin Township will never be the same when one fateful night changes the lives of six people and sets them on a collision course for disaster ...

**Charlie**

It was supposed to be a regular day out. Three couples celebrating the last days of summer. When tragedy struck.

I thought I was going to marry her. Instead, I was burying her.

I blamed the world for my pain. I buried it all. I became a man I didn't even recognize.

**Autumn**

In a blink of an eye, everything changed. My best friend was gone, and I was responsible for it. I may not have been driving the truck, but I didn't stop it.

Escaping the town was the only thing I could do to survive the guilt. I thought I was strong enough to go back. I was wrong.

One look from him and I knew I wasn't welcome. But this is my home, and I wanted to come back. One night turned into more. But at the end of the day, I know he'll never love me.

Besides, we all have shattered dreams.

**NATASHA MADISON** is a *USA Today* bestselling author who, when her nose isn't buried in a book, or her fingers aren't flying across a keyboard writing, is in the kitchen creating gourmet meals. You can find her—in four-inch heels no less—in the car chauffeuring kids, or possibly with her husband scheduling his business trips. It's a good thing her characters do what she says, because even her Labrador doesn't listen to her.
