

Remy is lucky. Her debut novel, based on her three best friends, became an instant bestseller when it was released, and her agent and publisher are clamoring for a follow-up. But just as Remy's creative inspiration seems to leave her, so too do her friends: One moves to New York, one gets pregnant, and one gets back together with her (awful) boyfriend. After an ill-advised one-night stand complicates matters further, Remy is left deeply alone—and unable to find her next book idea.

Simone is successful. A kindergarten teacher with a passion for kids and a well-paying side hustle that affords her all the material comforts she desires, she doesn't have time for a robust social life. All Simone needs is her close-knit family—but after the true nature of her work is revealed, they cut her off, and she realizes for the first time just how isolated she is.

When Simone and Remy bump into each other (literally) in a bookstore, it isn't exactly soulmates at first sight. Simone is guarded and prickly, Remy is insecure and heartbroken, and each woman is harboring a secret. And yet they might just be the missing piece the other has been searching for—if only they can let each other in.

Can Simone help Remy make one of the most important decisions of her life—and can Remy help Simone recover all that she's lost? In Jessica George's heartwarming, funny, and soulful second novel, she explores the restorative nature of female friendship and the life-changing power of platonic love.

Jessica George is the *New York Times* bestselling author of *Maame*. She was born and raised in London to Ghanaian parents and studied English literature at the University of Sheffield.
