

Eleanor Dash can never catch a break. Not only has she had to solve two real-life murder plots in the past year, but both times occurred when she was meant to be on vacation. Now she's finally got a ticket to a relaxing weekend—an all-inclusive resort in the Bahamas where she's speaking at a conference for murder mystery writers—but she arrives to find a body on the floor of her hotel room. Because of course she does.

With plenty of familiar faces at the resort, any one of them could have been the intended target or the culprit behind it all. Was it Oliver Forrest, Eleanor's dashing boyfriend who's in danger of getting dropped by his publisher because his sales are dwindling? Or Connor Smith, Eleanor's infuriating ex-lover-turned-bestselling rom-com-author with a sordid past of his own? Or her sister Harper, whose own stilted writing career has been a point of contention for years as Eleanor's has soared?

Perhaps it's one of the other writers also in attendance, as friends, frenemies, and foes from Eleanor's past all seem to have been invited to the island.

Surrounded by mystery writers who know all too well the many ways to craft the perfect crime, Eleanor is determined to get to the bottom of the mystery and do whatever it takes to get out of this weekend alive.

Catherine Mack (she/her) is the pseudonym for the *USA Today* and *Globe and Mail* bestselling author Catherine McKenzie. Her books are approaching two million copies sold worldwide and have been translated into multiple languages. The first two books in the Vacation Mysteries series, *Every Time I Go on Vacation, Someone Dies* and *No One Was Supposed to Die at This Wedding*, were *USA Today* bestsellers. Catherine also writes screenplays for film and television and has several original screenplays in development.
