

Dante N. Ferno is back and he's trekking off to summer camp with high hopes of making a splash in this second audiobook of the outrageously funny series for kids 8 and up—perfect for fans of *Diary of a Wimpy Kid*.

Dante N. Ferno: Camp Catastrophe features music and special effects. Listen along and enjoy the fun!

Summer is here, and two-horned demon Dante Nimrod Ferno is spending the break at Camp Sulfur Springs with his angelic best friend Virgil. But as his plans to make friends and influence his fellow campers go wildly awry, and a counselor everyone else admires keeps getting under his skin, can Dante prevent his time at camp from turning into a total catastrophe?

Filled with snarky humor, Brian Gordon's *Dante N. Ferno: Camp Catastrophe* is a fun adventure that's perfect for summertime or all year round.

Don't miss the first audiobook in the series, *Dante N. Ferno Is NOT a Loser!*

Brian Gordon decided when he was six that he was going to be a cartoonist when he grew up. He spent the rest of his childhood drawing, writing funny stories and running away from bullies who didn't like his drawings or his stories.

Despite being told by his teachers that cartooning wasn't a "real job," he's happy to have proved them wrong and has been drawing silly things for a living ever since. He spent the first half of his career making greeting cards, but for over a decade, he's been writing *Fowl Language*, a webcomic read by millions around the world, about the ups and downs of parenting four kids. Now, he's also writing stories for kids—Dante N. Ferno is his debut series for kids.

He has a wife named Cat and a dog named Pickles, who is very soft and loves getting his ears scratched.
