

Penny Paxton has beauty in her blood. Daughter of a world-famous supermodel, she's ready to claim her own spotlight at the elite Dorian Drama Academy. When her mentor offers the chance to sit for a mysterious artist whose portraits grant immortal beauty, Penny leaps at it—just like the school's most dazzling alumni before her. But when her mentor is murdered, Penny discovers the portraits are cursed: One by one, their flawless subjects are dying. As more perfectly beautiful students start to fall, Penny knows her time is running out. *Every Exquisite Thing* is a seductive and searing exploration of beauty, identity, and what the pursuit of perfection can truly cost.
