

MEET PETER KEY: self-proclaimed “laziest private investigator in Texas” (it’s harder than it looks), laidback bisexual, dedicated stoner, and the surprised recipient of a windfall inheritance from an uncle he barely knew. Peter’s life was a mess before, but now—as the new owner of a dilapidated house in one of the most desirable neighborhoods in Austin—he has a mountain of debt to deal with and pressure to sell from every side.

But Peter doesn’t like to be pushed around. And when he discovers a bag full of cash, he starts to suspect his uncle’s death wasn’t an accident. He soon finds himself pulled into a lethal game where not everyone plays by the rules.

Unfortunately for them, Peter’s never been good at following rules anyway.

Sexy, suspenseful, and packed with Austin’s quirks, *Killer Vibes* is a wild and wickedly funny romp that introduces us to the irresistible and irrepressible PI, Peter Key.

JACK FRIDAY is the pen name of John Fram, the author of several queer supernatural thrillers such as *The Bright Lands* and *The Midnight Knock*. He lives in Austin, where he does as little as possible.
