

Cubby Clark's life is falling apart. All she wants is to make music, but her on-again, off-again boyfriend, Connor, has just abandoned their band and rocketed to overnight solo stardom with a shady song all about Cubby. Now, her only comforts are her best friends and fellow bandmates, Harry and Darcy.

When an accidentally romantic picture of Cubby and Harry goes viral the same night Cubby and Darcy hook up, a rumored love triangle between Cubby, Harry, and Connor hits the tabloids and the fractured band is thrust into a whirlwind tour.

Under the pressure of newfound notoriety, writer's block, and an extremely cramped tour bus, the usually inseparable Cubby and Darcy can't bring themselves to address their long-buried feelings. The two have a single summer to unravel the truth of what they mean to one another, or they'll lose each other forever.

MAZEY EDDINGS is a bestselling author, dentist, and (most importantly) stage mom to her cats, Yaya and Zadie. She can most often be found reading romance novels under her weighted blanket and asking her husband to bring her snacks. She's made it her personal mission in life to destigmatize mental health issues and write love stories for every brain. With roots in Ohio and Philadelphia, she now calls North Carolina home.
