

The Cursed Realm Saga, Book 1

An elite private college. A hidden world. A devastating slow-burn that will leave you wrecked.

Twenty-year-old Anna was already different before her mother was murdered—and before she vanished for a year she can't remember. When her former mentor returns, Anna embarks on a dangerous journey to Nightfall Castle, the mysterious private college her mother once attended, desperate for answers about her past—and the dormant power she's ignored her entire life.

But Nightfall is not an ordinary college.

Something is terribly wrong within the castle's ancient corridors. Initiates are disappearing, and the Aurkai—Nightfall's most elite—know more than they're willing to say. Blake, the most alluring and dangerous of the Aurkai, may be the key to uncovering Nightfall's secrets—or the reason she never escapes them.

As the danger closes in, Anna realizes she may be next, and the truth behind Nightfall may cost her everything.

Discover the truth hidden within Nightfall Castle in this dark, seductive debut of The Cursed Realm Saga. A true genre bender you won't want to miss!

When she's not chasing her kids or a cup of coffee, she's dreaming of faraway lands and characters that refuse to let her sleep until she writes them down. Beyond writing, Alayna is passionate about helping women rediscover their self-worth and supporting others to live boldly and authentically.
