

Join **New Heights** hosts, **Jason and Travis Kelce**, as they attempt to tackle some of life's dumbest questions from the 92%ers. Join us on this discovery of knowledge as we cover topics like sports, relationships, parenting, gorilla fights, and many more quandaries that man has pondered since he first gazed upon the stars.

When you think philosophy, you'll probably think of names like Socrates, Plato, or Aristotle. But none of those men have won a single Super Bowl, so what do they know? *No Dumb Questions* is a collection of Jason and Travis's wisest, funniest, and most electric debates that could only come from the collected wisdom of a combined twenty-seven seasons in the NFL.

- **FOOTBALL:** Why don't players squirt their own water?
- **CUISINE:** Do you pour the cereal first or the milk?
- **SCIENCE:** If you could make one of your body parts detachable, which would you choose?

JASON KELCE, one of the most beloved Philadelphia athletes, helped bring the city its first-ever Super Bowl in 2018. A seven-time Pro Bowler, he holds the franchise record for most consecutive starts. He currently broadcasts as part of ESPN's *Monday Night Countdown*. Jason and his wife, Kylie, have four daughters.

TRAVIS KELCE is an eleven-time Pro Bowler and three-time Super Bowl champ with the Kansas City Chiefs. One of the best to ever do it, Travis holds countless on-field records. Off the field, he's built a significant media career with multiple projects under his belt, a lifestyle brand, and his foundation, 87 & Running.
