

When Emery steps foot onto Dartmouth's campus, she knows what she has to do: keep her scholarship, take her meds, and pray no one ever finds out about the past she left behind.

But that all changes when Emery meets an intoxicating girl named Roux, her disarming stepbrother named Eli, and the mystical band of girls Roux calls "The Sirens." Each Siren is as beautiful as the last, and their lives on campus are shrouded in extravagance and secret parties. Before the girls became Sirens, they were outcasts, yet under Roux, their wildest dreams come true. When Roux offers Emery the chance to join them, Emery will do whatever it takes to make it in.

Even if it costs Emery her life.
