

A disgraced intel officer anxious to redeem herself after a disastrous mission, January Holte vows to uncover the identity of a traitor who is selling her agency's secrets. The few clues she's found have led her to a sleepy river town: Lethey, Texas—and to Bill Connors, the one man who might know the truth.

July Whitlock, a rookie bodyguard, searches for his one and only client, who has suddenly disappeared. He follows a trail to Lethey to find his missing protectee—Bill Connors.

But Bill's friends and enemies in Lethey have secrets of their own. And as January and July ask questions no one wants to answer, they find a tangled web of murder, greed, and ambition—one that will kill anyone who tries to unravel its mysteries.
