

**THE DECK HAS ALWAYS
BEEN STACKED AGAINST HER.**

Kestrel has trained her whole life to compete in the Tarot Trials. Her mother won once, earning a place among the five ruling Cinque—then paid for it with her life, executed for alleged treason against the Minor Court.

BUT FORTUNE FAVORS THE BOLD.

Hunting for the truth behind her mother's murder, Kestrel takes up her mantle as champion of the Moon. If she can master her new powers of shadow and illusion and corner the fellow champion who was her mother's executioner years ago, she may uncover the answers she's seeking without losing her head . . . or her heart. But in the Trials' game of alliances and lies, betrayal is a question of when, not if.

And as she'll soon discover, a game with five victors isn't about what she must do to win, but who she needs to survive.
